

CANNABLE DELIVERY

INVENTORY MANAGER

2020 - 2021

Managed inventory with accuracy, ensuring compliance with strict cannabis regulations during the pandemic. Led audits, maintained detailed records, coordinated with vendors, and streamlined stock organization to support smooth operations and brand education.

FIG GARDEN SWIM & RACQUET CLUB

MEMBER RELATIONS

2021 - 2022

Served as a welcoming presence for club members, ensuring they felt supported and engaged in the community. Frequently stepped in as a trusted caregiver, kids' coach, and nursery/daycare host. Managed memberships, court schedules, and member records while coordinating events to maintain a vibrant and inviting club atmosphere.

GBH RETAIL

CO-DISTRICT MANAGER

2022 - 2023

Played an active role in opening and managing multiple cannabis retail locations, helping to ensure smooth operations, compliance, and strong customer experiences. Worked closely with store managers to provide training, track key performance metrics, and problem-solve to support growth and efficiency.

GBH DISTRIBUTORS

DISTRIBUTION CLERK

2022 - 2023

Kept distribution running smoothly by managing invoicing, manifest creation and storage, order adjustments, and shipment scheduling. Maintained accurate inventory records, processed orders, and ensured timely deliveries while upholding compliance standards. Strong attention to detail and organizational skills were essential to success in this role.

GREENBRIER HOLDINGS

METRC PROJECT MANAGER

AND QUALITY ASSURANCE

2023 - 2025

Assisted in project planning, execution, and quality assurance efforts for cannabis cultivation, processing, manufacturing, and distribution, helping ensure tasks were completed on time and within scope while maintaining compliance. Supported budget management, team coordination, and operational improvements to enhance efficiency. Focused on attention to detail and organization to help maintain high standards of compliance and quality throughout the process.

SUPERLIT SOLUTIONS

Transforming cannabis brands with data-driven marketing across print, digital, and social platforms.
